STATEMENT

A multi-disciplinary web developer with experience in combining design knowledge and coding skill to deliver an engaging user experience through website development.

EXPERIENCE

Web Developer Intern
ELTOC | Ottawa (Remote) | Oct 2022 – Jan 2023

- Designed and developed a fully functional website from conception to launch.
- Created branding, including logo design and color scheme, that aligned with the goals and audience.
- Collaborated with team members to ensure the website met requirements, adhered to best practices.
- Demonstrated proficiency in customizing WordPress themes, installing and configuring plugins, and managing content via the WordPress dashboard.
- Utilized Scrum methodology to manage and prioritize tasks, resulting in on-time delivery of all project milestones and an 80% reduction in bug reports.
- Trained the team on how to use WordPress for maintaining and updating the website.

Freelance Graphic Designer
Toronto & Hong Kong | Apr 2017 – May 2022

- Working with local businesses in a variety of fields, including restaurants, entertainments, and NPGs.
- Designing flyers, booklets, and ads that significantly increased exposure both online and at events.
